## **State to Release Green Chemistry Initiative Final Report**

**SACRAMENTO – Tomorrow, December 16, 2008, Cal/EPA will release its Green Chemistry Initiative Final Report. Department of Toxic Substances Control (DTSC) Director Maureen Gorsen, who led the Initiative for Cal/EPA, will be available to answer questions on a media briefing conference call at the following time:**

**11 a.m. Conference call media briefing  
Call-in number: 800-777-0466, passcode Green Chem  
International Toll Caller: 210-795-0624, passcode Green Chem**

**The GCI final recommendations report is the result of Cal/EPA's collaboration with experts worldwide to develop options for a comprehensive chemical policy and is the culmination of an 18-month process that began in April 2007, which netted more than 57,000 comments and 800 options.**
